Ms. Sara Goldberg  
Golden Slipper Charities  
Bala Cynwyd, PA 19004

Dear Sara:

"I FELT SO GOOD AFTERWARD"!-----that quote typifies the reactions of our residents to Ken Ulancey and his vocalist when they performed here earlier this week.

Approximately 75% of our residents attended, danced, sang along and generally enjoyed the warm feelings created by these musicians.

The residents of Sidewater House sincerely thank Golden Slipper Charities for providing these special evenings—and thank you, Sara, for facilitating them. It is a kindness that, as the commercial says, is "priceless"!

Warm wishes for a happy Hanukkah and New Year,

Estelle Braufman
