

Dear Golden Slippers Club and Charities,

This letter is to thank you for your love and kindness that you extended towards me during my troublesome times when my stair lift broke it was a real hardship having to crawl up and down the steps for eight weeks it took its toll on my health but I'm gaining more strength ~~now~~ now since its been fixed and so therefore I want to thank you for helping me to get it fixed. I appreciate the way you help myself and others I will never forget your charitable Club.

Thank You
Ms. B. Skipper
