

Hi Tom,

I wanted to thank you for lowering the camp fee for this year, making it possible for my son Billy to attend camp for the summer. Billy would be so lost if he didn't have GSC in his life. He counts the days all year long awaiting the departure date to take him to a place where he can be himself, have fun and experience so much. Our neighborhood does not offer much for Billy in the way of good friends or things to do. I wish there were somewhere else we could live but we are pretty much stuck where we are. Lowering the camp fee from \$2400. to \$1500. is a huge deal for me because I'm hanging by a thread trying not to lose our home right now. I've worked very hard my whole life since I was 15, I'm a good person, a caring and concerned citizen but I keep getting beat every time I see a light at the end of my tunnel. I haven't given up because I have Billy in my life; he is my number one concern. So I wanted you all to know how very, very grateful I am that you have a place like Golden Slipper Camp where I can send my son, not worry about his safety and know he is having a blast and making such wonderful memories for himself. I can't thank you all enough for your kindness and generosity for lowering this year's fee. I am so very grateful.

Thank you,
